Optional extras and Irish standard equipment may have an effect on the electrical consumption & Range figures. They are official figures obtained from tests under standardised EU test conditions. Pricing effective as of 01.01.2026 Subject to change.

ROTR: Recommended on the road price is RRP including available government grants and incentives and delivery charges of €1000 as recommended by CUPRA Ireland. For more details see www.cupraofficial.ie. Please note every effort has been made to ensure the contents of this publication (including RRP, electrical consumption and technical information) were accurate and up-to-date at the time of publishing. CUPRA Ireland reserves the right to change specification, prices and withdraw products from sale without notice. Any such alternations will be notified to CUPRA Retailers at the earliest opportunity. Please consult your local CUPRA retailer for the latest product information.

GRANTS & INCENTIVES

GRANTS

VRT Rebate	VRT relief is available for battery electric vehicles. The VRT relief for Battery Electric vehicles is tapered by 50% for every €1 for vehicles with OMSP over €40,000, so that no amount of relief is available for BEVs with an OMSP value of over €50,000
SEAI Grant	From 1st July 2023 €3,500 available off the RRP for private use.
Home Charger Installation Grant	€300 rebate following installation and signoff by SafeElectric registered installer.

INCENTIVES

Accelerated Capital Allowance	Allows companies to deduct the full cost of such equipment from their taxable profits in the same year of purchase. Note: It is subject to the same rules as the standard plant & machinery wear and tear allowance.
0% Benefit in Kind (BIK)	Battery Electric Vehicles used as company cars are exempt from BIK until the end of 2025. However, this is being tapered off from 2023. Note: It is important to get advice from your accountant or tax adviser to ensure that you are eligible in advance
Free/ Reduced Parking	Some local authorities allow for free parking when charging.

CUPRA CONNECT

FORGET WHERE YOU'VE PARKED?

Simply open the My CUPRA app and you will be able to easily locate your vehicle in cities or large parking areas.

The GPS coordinates will give you the exact address and you are then able to navigate to it through the easy to use map.

IS MY CAR SECURE?

For those moments when you're unsure if you've locked your car.

Through the My CUPRA app, authorised users can see and control the lock status of the doors and boot.

DETERMINE YOUR IDEAL TEMPERATURE

On those cold winter mornings, you'll no longer need to sit in your car while you wait for it to warm up and defrost.

With its remote temperature control, you can program the perfect temperature you want when sitting at the wheel, defrosting the windows in the process*.

WHEN IS MY SERVICE DUE?

You have enough things in your head to have to remember your next car service.

Activate automatic service scheduling and your chosen authorised service partner will contact you as soon as your vehicle detects the need of a service (inspection or relevant warning light).

CUPRA CONNECT

CUPRA CONNECT enables access to multiple features and benefits including:

VEHICLE STATUS

- Driving Data
- Vehicle Health Data

COMFORT

- Parking Position
- Personalisation

REMOTE & CONTROL

- Horn & Turn Signals
- Anti-Theft Alert
- Remote Lock & Unlock
- Remote Auxiliary heater

SAFE & SECURE

- Service scheduling
- Customer care
- Breakdown call

NAVIGATION**

- Online POI search
- Online destination import
- Online route impact
- Online maps update
- Online traffic information
- Local hazard Information
- Online route calculation
- Dynamic POI (petrol+charging+parking information)

DOWNLOAD CUPRA APP

APPSTORE

PLAY STORE

*Feature only available on e-HYBRID and fully electric models. **Only available if Navigation option is fitted.

WARRANTIES

FIVE-YEAR MANUFACTURE WARRANTY

All new CUPRA's registered on or after 01/01/2026 in Ireland, come with a five year/100,000 kilometer warranty, which protects your car against the failure of most mechanical and electrical components due to manufacturing defects. This comprises a two-year manufacturer's warranty with unlimited mileage, plus a further three years up to a maximum of 100,000 kilometer (whichever is soonest).

THREE-YEAR PAINT WARRANTY

The paintwork of all models featured in this product guide are covered against manufacturing defects for a period of three years. Naturally, the vehicle must be cared for in compliance with the operating instructions which will be found in your vehicle handbook. Please consult your authorised CUPRA Retailer or repairer for full warranty details

12-YEAR BODY PROTECTION WARRANTY

The internal body sections and panels of the models featured in this product guide are covered against corrosion originating from internal cavities for 12 years. Naturally, the vehicle must be cared for in compliance with the operating instructions which will be found in your vehicle handbook. Please consult your authorised CUPRA Retailer or repairer for full warranty details.

CUPRA ROADSIDE ASSISTANCE (INCLUDING EUROPEAN COVER)

Any new CUPRA purchased and registered in the Ireland from an authorised CUPRA Retailer, is covered free by CUPRA Assistance (including European cover) for roadside repairs or recovery to an authorised repairer for the duration of the vehicles warranty. Terms and conditions apply.

BATTERY WARRANTY*

The high voltage batteries and named components for battery electric vehicles (BEV) are warranted against all defects in materials and workmanship for eight years or up to 160,000 kilometers.

A gradual reduction in battery energy content over time is a normal feature of high voltage battery and does not constitute a warrantable defect. For BEV'S, the battery energy content degradation warranty lasts for eight years or up to 160,000 kilometers, whichever comes first. Where the battery energy content of the high voltage battery is measured by a CUPRA authorised repairer and is found to be less than 70% during the warranty period, then it will be repaired or replaced under warranty subject to conditions. For full details, please go to the CUPRA Ireland website whichever comes first.

CUPRA PARTS WARRANTY

CUPRA parts and accessories supplied after new vehicle delivery are covered by our 24 months parts warranty

*Only available on e-HYBRID and fully electric models.

CUPRA CARE

The CUPRA Born has a 5 year (100,000km)* manufacturers warranty and an 8 year (160,000km) battery warranty as standard. For further peace of mind, an optional CUPRA Care pack is available which takes care of the maintenance of your Born allowing you to enjoy the drive.

For just €33.33 per month, the Born Care Pack

Includes:

- Brake Fluid Change
- Pollen Filter Replacement
- 1 set of Front Brake Pads
- 1 set of Front & Rear Wiper Blades
- 4 Tyres

**CONTACT YOUR PREFERRED CUPRA RETAILER SHOULD
YOU WISH TO PURCHASE A CARE PACK**

*CUPRA 5 Year Warranty is applicable for all cars registered from 01.01.2026

The values mentioned are the result of the type approval of the selected model, in accordance with Regulation CE 2018/858. The available power (kW) & acceleration of the model depends on the state of charge of the battery and its temperature. The accurate range for your vehicle will vary according to a number of different factors which include the route, weather conditions, vehicle load (occupants + luggage), battery age and condition, optional equipment (alloys, tyres, etc.), the use of peripheral energy consumption systems such as heating, air conditioning & heated seats, as well as your driving style. The indicated range has been calculated in compliance with the WLTP regulation which sets out standard test conditions applicable to all car manufacturers. This ensures that the values calculated in accordance with this regulation are comparable for all vehicles.
