Optional extras and Irish standard equipment may have an effect on the electrical consumption & Range figures. They are official figures obtained from tests under standardised EU test conditions. Information valid as of: 27.05.2025. Subject to change.

ROTR: Recommended on the road price is RRP including available government grants and incentives and delivery charges of €800 as recommended by CUPRA Ireland. For more details see www.cupraofficial.ie. Please note every effort has been made to ensure the contents of this publication (including RRP, electrical consumption and technical information) were accurate and up-to-date at the time of publishing (27.05.2025). CUPRA Ireland reserves the right to change specification, prices and withdraw products from sale without notice. Any such alternations will be notified to CUPRA Retailers at the earliest opportunity. Please consult your local CUPRA retailer for the latest product information.

GRANTS & INCENTIVES

GRANTS

VRT Rebate	VRT relief is available for battery electric vehicles. The VRT relief for Battery Electric vehicles is tapered by 50% for every €1 for vehicles with OMSP over €40,000, so that no amount of relief is available for BEVs with an OMSP value of over €50,000
SEAI Grant	From 1st July 2023 €3,500 available off the RRP for private use.
Home Charger Installation Grant	€300 rebate following installation and signoff by SafeElectric registered installer.

INCENTIVES

Accelerated Capital Allowance	Allows companies to deduct the full cost of such equipment from their taxable profits in the same year of purchase. Note: It is subject to the same rules as the standard plant & machinery wear and tear allowance.
0% Benefit in Kind (BIK)	Battery Electric Vehicles used as company cars are exempt from BIK until the end of 2025. However, this is being tapered off from 2023. Note: It is important to get advice from your accountant or tax adviser to ensure that you are eligible in advance
Free/ Reduced Parking	Some local authorities allow for free parking when charging.

TECHNOLOGY

- 12.9" Touchscreen Infotainment System w/ Voice Control & Illuminated Sliders.
- 5.3" Digital Cockpit
- Kessy Advance with illuminated door handles
- Car2x
- Wireless Charging (15W Fast Charge)
- 4 x USB-C sockets (2 in front & 2 in rear)
- DAB Radio
- Front & Rear Parking Sensors
- Acoustic windshield
- Start-stop system with regenerative braking
- CUPRA CONNECT
- Top View Camera
- Adaptive cruise control with follow-to-stop
- Rear Traffic Alert
- Lane Change System
- Exit Warning
- Travel Assist
- Intelligent Park Assist
- Remote Park Assist
- Front Light Assist
- Traffic Sign Recognition

EXTERIOR

- 19" "TYPHOON" Machined Alloy wheels in Black / Silver (59kWh Only)
- 20" "HURRICANE" Machined Aero Wheels in Black (79kWh Only)
- Dark Tinted Windows
- Front and Rear Power Windows
- Full LED Headlamps with Ceremony, Adverse Weather Function
- LED Rear Coast to Coast Light
- Welcome Light in Exterior Mirrors
- Exterior Mirror Housings Painted in Grey, Power Folding , Heated

INTERIOR

- CUPRA Heated Steering Wheel with Satellites
- Aluminium pedals
- CUPRA Drive Profile
- Interior Multicolour Ambient Light
- SEQUAL Yarn Bucket Seats
- Manual Height Adjustment Front Seats
- Heated Front Seats
- Breakaway auto dimming rear view mirror
- Climatronic 2 Zone with AirCare
- Wireless Android Auto & Apple CarPlay

SAFETY

- Tyre Pressure Monitoring System
- i-Size and 2 top tether child seat anchors in rear seats and passenger seat
- 3-point safety belts for front and rear seats, with visual and acoustic reminders
- Pedestrian & Cyclist protection
- Emergency Call (eCall)
- Intelligent Speed Assist
- Tiredness Recognition
- Auto Lights and Wipers
- Emergency Steering Support with Turn Assist
- Front Assist
- Lane Assist
- Alarm

STANDARD EQUIPMENT

BORN VZ (in addition to eBoost)

Model	RRP (incl Grants)
Born VZ 79kWh 326hp	€40,775

EXTERIOR

- 20" "THUNDERSTORM" Aero Black / Copper Wheels
- Rear "VZ" Logo in Sulphur Green
- Front & Rear CUPRA Logo in Black Chrome

INTERIOR

- Enceladus Grey Cup Bucket Seats
- Electrically Adjustable Front Seats (w/memory)
- Interior Ambient Smartlight
- Dynamic Chassis Control
- CUPRA Steering Wheel with Satellites (Heated w/ Paddles)

PERFORMANCE

- Power : 326hp
- Torque : 545 Nm
- 0-100km/h: 5.6s
- Range : up to 595 Km
- Top Speed : 200 km/h
- Charging : up to 185kW DC Fast Charging

CUPRA CARE

The CUPRA Born has a 3 year (90,000km) manufacturers warranty and an 8 year (160,000km) battery warranty as standard. For further peace of mind, an optional CUPRA Care pack is available which takes care of the maintenance of your Born allowing you to enjoy the drive.

For just €33.33 per month, the Born Care Pack Includes:

- Brake Fluid Change
- Pollen Filter Replacement
- 1 set of Front Brake Pads
- 1 set of Front & Rear Wiper Blades
- 4 Tyres

Contact your preferred CUPRA Retailer should you wish to purchase a Care Pack.

The values mentioned are the result of the type approval of the selected model, in accordance with Regulation CE 2018/858. The available power (kW) & acceleration of the model depends on the state of charge of the battery and its temperature. The accurate range for your vehicle will vary according to a number of different factors which include the route, weather conditions, vehicle load (occupants + luggage), battery age and condition, optional equipment (alloys, tyres, etc.), the use of peripheral energy consumption systems such as heating, air conditioning & heated seats, as well as your driving style. The indicated range has been calculated in compliance with the WLTP regulation which sets out standard test conditions applicable to all car manufacturers. This ensures that the values calculated in accordance with this regulation are comparable for all vehicles.
