Optional extras and Irish standard equipment may have an effect on the CO2, NOx and Fuel Economy figures. The CO2, NOx & Fuel Economy figures are the official figures obtained from tests under standardised EU test conditions. Information valid as of: 11.07.2025. Subject to change.

ROTR: Recommended on the road price is RRP including delivery charges of €1,000 as recommended by CUPRA Ireland. Please note every effort has been made to ensure the contents of this publication (including RRP, CO2, fuel consumption and technical information) were accurate and up-to-date at the time of publishing (11.07.2025). CUPRA Ireland reserves the right to change specification, prices and withdraw products from sale without notice. Any such alternations will be notified to CUPRA Retailers at the earliest opportunity. Please consult your local CUPRA retailer for the latest product information.

*RRP From is based on the lowest available VRT rate for that model range, adding options to vehicles with higher VRT rates will cause options to increase in cost. Adding optional extras to vehicles can have an impact on the CO₂ & Fuel Consumption of the vehicle. This may in turn change the VRT payable on the vehicle and thus increase the Total Price. Please discuss the addition of options and their impact with your CUPRA Master within our CUPRA Network. Information & pricing subject to change without notice.
